

Welcome to issue 5 of the NVH newsletter.

As we approach the end of 2020, we have all been through and still going through very different times with Covid-19. Our aim at the hall is to keep everyone safe following the “new normal” guidance.

Many of our user groups have returned along with NVH events.

**Farmers Market** has returned and been well supported. The outside seating for coffee and bacon rolls was well received and now with the change in weather, we have been able to have some seating in the hall for the winter months. All our stall holders have returned along with some new stalls.

**Village Screen** has returned and again, following guidelines, the evenings have gone well.

Do come along and support when you can, see the dates for your diary below. We have several more events taking place for you to enjoy.
